From the letters that I write they think I'm fine

If only they could read between the lines

[Spoken]

I rode a freight train north to Detroit city
After all these years I've been wasting my time
I'll take my foolish pride,
on a southbound freight and ride
Go on back to the ones,
I've left waitin' so far behind

[Chorus]

B B7 E B F#7 B
I want to go home, I want to go home Oh, how I want to go home
