

Pussycat — Mississippi

[Intro]

D A D E

[Verse 1]

A
Where you can hear a country song from far
and someone plays the honky-tonk guitar
Where all the lights will go out one by one
the people join the sun and the wind takes it away

[Verse 2]

A
Where the Mississippi rolls down to the sea
and lovers found the place they'd like to be
how many times before the song was ending
love and understanding everywhere around

[Chorus]

A E
Miii....iiii ... ssissippi,
I'll remember you, whenever I should go away
I'll be longing for the day
that I will be in Greenville again ...
Miii....iiii ... ssissippi, you'll be on my mind
... every time I hear this song Mississippi roll along
until the end of time

[Interlude]
